# DETOX SUPPORT

[WWW.VYKONSUPPLEMENTS.COM](http://WWW.VYKONSUPPLEMENTS.COM)

### HUMIC:FULVIC +ZEOLITE

59g Powder

By combining our humic and fulvic acids, derived from a humus deposit located in Canada, with our micronized zeolite we have created a superior complex to support detoxification.

**MSRP \$95**

# DETOX SUPPORT

### HUMIC:FULVIC BLEND

32g Powder

Our Humic:Fulvic blend is rich in essential minerals, amino acids, electrolytes and antioxidants. It supports and improves nutrient uptake and assimilation, enhances cellular function and is a natural chelator for detoxification.

**MSRP \$90**

### ZEOLITE

450g Powder

Particle size and purity of zeolite clinoptilolite are the most important factors. Obtaining the highest quality micronized zeolite is critical and ours exceeds the USP standards for purity. Zeolite naturally attracts heavy metals, VOCs, mycotoxins and biotoxins to support the body's detox

**MSRP \$85**
